Board Appoints Interim Administrators

Dr. Gary Phillips (left) and Mr. Gayle Cooper (right).

On Wednesday, July 13, the Ozarka College Board of Trustees held a special board meeting for the appointment of an interim President and Vice President of Academic Affairs.

After discussion regarding possible candidates, the board unanimously voted to appoint current Vice President of Finance, Gayle Cooper to fill the position of interim President and former board member, Dr. Gary Phillips of Salem, was appointed as interim Vice President of Academic Affairs. Both appointments were filled on a temporary, three to six month time period, to

allow the board and college administrators to begin a search for candidates to permanently fill the two positions.

Early Orientation/Registration Held July 7

For the first time, the Ozarka College Student Services Department held a New Student Orientation and Registration for new students who will be enrolling during the Fall semester. The orientation was held on Thursday, July 7 and served around 105 new students. The students began the day in the Lecture Hall for orientation with general information on Ozarka and its services. The students then met with advisors for class scheduling as well as the Finance Department for financial aid.

As a reward for registering early, the students were provided with lunch in the Ozarka cafeteria. Kitchen staff, Mimi Newsome, Brenda Morris and Kenda Levett served Hamburgers with the fixings. Ozarka Admissions staff is hopeful to have early registration each Spring beginning in 2006.
